

KING AIR 300

MAX RANGE
1,570 NM

MAX SPEED
315 KTS

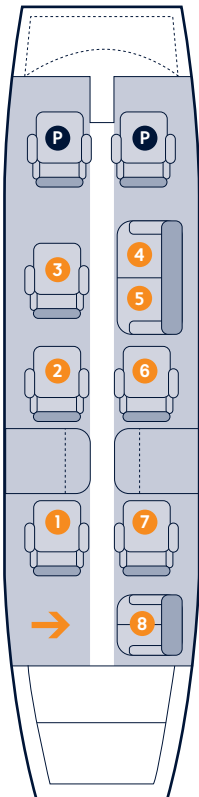

PASSENGERS
8 PEOPLE

LUGGAGE CAPACITY
1,150 LBS. (522 KG)

The King Air 300 is an excellent aircraft for intra state travel and trips to the islands. The payload and range capability is unmatched in its class, and significantly more economical than comparable light jets while offering virtually the same flight time for short to medium distances. Its excellent short-field performance increases airport options, bringing you closer to your final destination. The cabin is roomy and quiet which allows you to enjoy your flights in style.
