WIFI

The Challenger 601 is a well-proven long-range aircraft with a strong pedigree made by Bombardier. The large spacious cabin allows you to stretch out during your coast-to-coast or international travels and move around in comfort. The Challenger 601 3R is an evolution of the 601-3A featuring airliner-proven engines, built-in intercontinental range capability of 3,585 nm (6,639 km) with a maximum cruise speed of 443 knots, improved reliability and maintainability.
