

PILATUS PC-12

MAX RANGE
1,845 NM

MAX SPEED
328 MPH

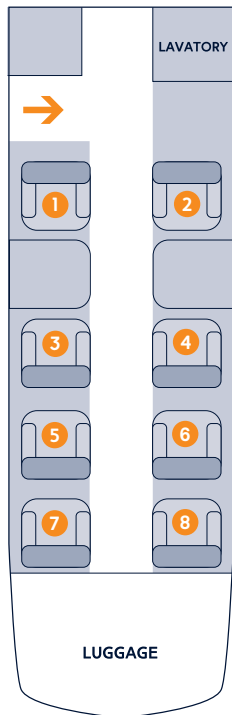

PASSENGERS
8 PEOPLE

LUGGAGE CAPACITY
2,497 LBS. (1,132 KG)

The Pilatus plane is designed to give an exceptionally smooth ride, providing maximum comfort for passengers. It has a high-lift wing, which allows it to perform excellently on short-field flights. It's able to land on very short runways, on grass, and even in icy conditions. The PC-12's unique landing capabilities allow this plane to take you to some exotic destinations that aren't accessible via jets and other larger commercial aircraft.
